

HYBRID

HYBRID

Hybrid

Bringing together the best of the Harmony and Gamma range. Hybrid is a sleek, modern looking and durable working chair, Hybrid creates the right impression for any forward thinking office environment.

With extreme comfort and design in detail, the Hybrid offers all round control and versatility to all users through its ergonomically designed controls.

A breathable nylon mesh back gives the Hybrid a light and airy appearance as well as offering ventilation to reduce heat build up and muscle fatigue.

Standard Features
