

QUATTRO

QUATTRO

Quattro

With modern, stylish design and slimline upholstery, Quattro is an attractive and durable task range. A smooth, synchronised mechanism with fingertip weight control means Quattro is a pleasure to use. Multi-position control and an optional seat slide make this model adaptable to virtually any user.

Standard Features

- Stylish black stiletto base
- Synchronised mechanism with:
 - Multi position lock and anti-kick brake
 - Variable tension adjustment
 - Fingertip back height adjustment

Optional Features

- Polished aluminium stiletto base
- Foldaway height adjustable armrests
- Sliding & rotating adjustable armrests
- Seat slide providing adjustable seat depth
- Upholstered outer back
