

VECTOR

Vector

The Vector range creates a smart yet commanding presence to any contemporary boardroom, conference or office environment.

Deep leather padding with stitched wrap over cushioning provides increased support and comfort. Upholstered metal twist armrests and chrome base complements the prestige of the Vector. Completing the range is the high back cantilever chair.

Standard Features

Knee tilt mechanism with:
Multi position lock and anti-kick brake
Variable tension adjustment
Upholstered armrests
Chrome base

MODELS SHOWN: V8-HB · V8-HCA
